Subject: RE: GOOD MORNING,

Richard-

I was just looking up my notes for the case and I noticed that, besides drug lab number [REDACTED] numbers [REDACTED] and [REDACTED] also had the defendant listed as [REDACTED]? Are these numbers also part of the case? Or perhaps just controlled buys? I ask as I did analyze [REDACTED], but Rebecca Pontes was the chemist that analyzed [REDACTED] and I'm not sure of her availability tomorrow (or next week for that matter). Thanks.
